JAY-Z – Empire State of Mind Lyrics | Genius Lyrics

Growing up in Harlem’s West Indian community in the late ’30s, Lorde experienced the struggles faced by black Americans from infancy. But through growth, she came to the realisation that there is a sense of power in blackness. Like coal, it is an essential fuel from earth for civilisation.

Vogue, or voguing, is a highly stylized, modern house dance originating in the late 1980s that evolved out of the Harlem ballroom scene of the 1960s. It gained mainstream exposure when it was featured in Madonna's song and video "Vogue" (1990), and when showcased in the 1990 documentary Paris Is Burning (which went on to win the Grand Jury Prize at the 1991 Sundance Film Festival).

A classic of the Civil Rights Movement, The Fire Next Time is divided into two parts: one is a letter written to Baldwin’s 14-year-old nephew on the 100th anniversary of the abolition of slavery, and the other is a powerful reflection on the author’s formative years in Harlem. While it captures Baldwin’s entirely justified anger at the
