Neither in English nor in French is there a published study of Napoleon Bonaparte's reestablishment in France of the Congregation of the Mission, whose members are generally known in France as Lazarists. This study, *Napoleon and the Lazarists, 1804-1809*, examines the reestablishment of the Congregation of the Mission in France and its subsequent relations with the Napoleonic Government. Because religion played an important role in the policies and plans of Napoleon, this study is set within the framework of Napoleon's general religio-political policy. Since the Concordat of 1801 was the legal instrument by which the Catholic Church was reestablished in France and also a necessary preliminary to and a

model for the reestablishment of the Lazarists, its negotiation is treated in detail. The examination of the reestablishment of the Congregation of the Mission in France under Napoleon Bonaparte and its subsequent history between 1804 and 1809 follows. It is a study in microcosm which reflects Napoleon's general religio-political policies. Who are the Lazarists? The name Lazarist originates from St. Lazare, the original Motherhouse in Paris of the Congregation of the Mission of St. Vincent de Paul. St. Vincent de Paul founded the Congregation of the Mission in 1625. With the cooperation of St. Louise de Marillac, he also founded the Congregation of the Daughters of Charity.

The best ever explanation of the Catholic doctrine of the communion of saints written for a popular audience. Patrick Madrid explains in a clear and easy-to-follow style why Catholics pray to Mary and the saints. Using the Bible and the testimony of the early Church Fathers, he shows the biblical and historical foundations of this often misunderstood Catholic doctrine. He also walks the reader through the standard anti-Catholic arguments against praying to Mary and the saints and demonstrates why these arguments are themselves unbiblical.

Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman Catholic. of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

Most of the former atheists in this book had investigated religion's claims to truth, rejected them--and were shocked to then find themselves turning to faith. Some of these stories come from: A university professor unexpectedly attracted to the faith when a student described her retreat at a monastery. A young woman impressed by a colleague's Mass attendance: "I wanted to find her ridiculous, but quite unexpectedly, I felt like the ridiculous one." A Polish immigrant who once shared communism's disdain for religion. These seekers ended up someplace they never intended to go--the Catholic Church--and yet went there and found that they were home.

The popular blogger and publisher of Envoy magazine offers 10 key reasons why he loves being Catholic (and you should too). Drawing heavily on poignant anecdotes from his own experience as a life-long Catholic born in 1960s, Madrid offers readers a way of looking at the Church--its members, teachings, customs, and history--from perspectives many may have never considered. Growing up Catholic during a time of great social and theological upheaval and transition, a time in which countless Catholics abandoned their religion in search of something else, Patrick Madrid learned a great deal about why people leave Catholicism and why others stay. This experience helped him gain many insights into what it is about the Catholic Church that some people reject, as well as those things that others treasure. Drawing upon Madrid's personal experiences, *Why Be Catholic?* offers a deeply personal, fact-based, rationale for why everyone should be Catholic or at least consider the Catholic Church in a new light.

the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

The Psalms make up the most popular, most universally loved and used book in the Bible, which is the most widely read book in the world. They are hymns, songs, poems, and prayers—at once formal and informal, liturgical and spontaneous, communal and individual. As a result, they have many layers of meaning. In this work, Peter Kreeft focuses on a dozen of the best-known psalms, including Psalms 23 and 51. He leads the reader through his personal explorations of this deep ocean of divinely inspired spiritual water, pulling up treasures for the soul along the way. "What prayers did Jesus and his disciples pray? The Psalms! As all Jews have always done ever since they had them. The Psalms are God's answer to our plea, 'Teach us to pray.' Christ prayed them not only in the synagogue but throughout His life, and at his death." — Peter Kreeft, from the Introduction
