Cabot, a dark, fantastical story about this world . . . and the underworld. Though she tries returning to the life she knew before the accident, Pierce can't help but feel at once a part of this world, and apart from it. Yet she's never alone . . . because someone is always watching her. Escape from the realm of the dead is impossible when someone there wants you back. But now she's moved to a new town. Maybe at her new school, she can start fresh. Maybe she can stop feeling so afraid. Only she can't. Because even here, he finds her. That's how desperately he wants her back. She knows he's no guardian angel, and his dark world isn't exactly heaven, yet she can't stay away . . . especially since he always appears when she least expects it, but exactly when she needs him most. But if she lets herself fall any further, she may just find herself back in the one place she most fears: the Underworld.

In the context of critical museology, museums are questioning their social role, defining the museum as a site for knowledge exchange and participation in creating links between past and present. Museum education has evolved as a practice in its own right, questioning, expanding and transforming exhibitions and institutions. How does museum work change if we conceive of curating and education as an integrated practice? This question is addressed by international contributors from different types of museums. For anyone interested in the future of museums, it offers insights into the diversity of positions and experiences of translating the »grand designs« of museology into practice.

A global account of pirates and their modus operandi from the middle ages to the present day In the twenty-first century piracy has regained a central place in Western culture, thanks to a surprising combination of Johnny Depp and the *Pirates of the Caribbean* franchise as well as the dramatic rise of modern-day piracy around Somalia and the Horn of Africa. In this global history of the phenomenon, maritime terrorism and piracy expert Peter Lehr casts fresh light on pirates. Ranging from the Vikings and Wako pirates in the Middle Ages to modern day Somali pirates, Lehr delves deep into what motivates pirates and how they operate. He also illuminates the state's role in the development of piracy throughout history: from privateers sanctioned by Queen Elizabeth to pirates operating off the coast of Africa taking the law into their own hands. After exploring the structural failures which create fertile ground for pirate activities, Lehr evaluates the success of counter-piracy efforts—and the reasons behind its failures.
