To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's

Access Free Css Interview Questions And Answers Free

flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Female drug addicts are often stereotyped either as promiscuous, lazy, and selfish, or as weak, scared, and trapped into addiction. These depictions typify the "pathology and powerlessness" narrative that has historically characterized popular and academic conversations about female substance abusers. Neither Villain Nor Victim attempts to correct these polarizing perspectives by presenting a critical feminist analysis of the drug world. By shifting the discussion to one centered on women's agency and empowerment, this book reveals the complex experiences and social relationships of women addicts. Essays explore a range of topics, including the many ways that women negotiate the illicit drug world, how former drug addicts manage the more intimate aspects of their lives as they try to achieve abstinence, how women tend to use intervention resources more positively than their male counterparts,

Access Free Css Interview Questions And Answers Free

and how society can improve its response to female substance abusers by moving away from social controls (such as the criminalization of prostitution) and rehabilitative programs that have been shown to fail women in the long term. Advancing important new perspectives about the position of women in the drug world, this book is essential reading in courses on women and crime, feminist theory, and criminal justice.
