A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. A Libertarian Walks Into a Bear is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear.

A companion to the epic poem Paradise Lost, John Milton's Paradise Regained describes the temptation of Christ. After Adam and Eve are expelled from the Garden of Eden, Satan and the fallen angels stay on earth to lead people astray. But when God sends Jesus, the promised savior, to earth, Satan prepares himself for battle. As an adult, Jesus goes into the wilderness to gain strength and courage. He fasts for 40 days and nights, after which Satan tempts him with food, power, and riches. But Jesus refuses all these things, and Satan is defeated by the glory of God. This is an unabridged version of Milton's classic work, which was first published in England in 1671.

Seminar paper from the year 2017 in the subject English - Literature, Works, grade: 1,7, University of Bonn, language: English, abstract: John Milton wrote his famous epic poem "Paradise Lost" at the end of Renaissance. It was published in a first version in 1667, consisting of ten books and in the final version in 1674, consisting of twelve books. Up until today this masterpiece is considered as one of the most famous writings of English literature. The question of this paper is if the character of Satan can be depicted as an heroic figure and in how far Satan can be described as epic hero. John Milton is forcing the reader of Paradise Lost to consider the possibility that Satan may actually be a hero, or at least a character that might be analysed in a more complex way. The character of Satan uses this tension and provokes the reader. During the 13th up to the 16th century the devil was discussed very frequently among people of all classes. Nevertheless Satan or the devil is afflicted with mostly negative thoughts as he is the antagonist of God.

The threatened species categories used in Red Data Books and Red Lists have been in place for almost 30 years. The IUCN Red List Categories and Criteria provide an easily and widely understood system for classifying species at high risk of global extinction, so as to focus attention on conservation measures designed to protect them. This latest version of the classification system was adopted by the IUCN Council in February 2001 and reflects comments from the IUCN and SSC memberships and the final meeting of the Criteria Review Working Group.

Revolt retells the classic Christian story of the war in heaven between angels led by the Archangel Michael against others led by Satan. The war ends with the defeat and casting to the earth of the latter. The plot emphasises themes of protagonists fighting a ruling hierarchy, and attempting to escape it, as well as "hiddenness, delusion, revolution, and epiphany...a literary exploration of existential choices in an apocalyptic context"

"Including Paradise lost, Paradise regain'd & 50 other works" -- Cover.

Paradise Lost is an epic poem in blank verse by the 17th-century English poet John Milton. It was originally published in 1667 in ten books; a second edition followed in 1674, redivided into twelve books (in the manner of the division of Virgil's Aeneid) with minor revisions throughout and a note on the versification. The poem concerns the Judeo-Christian story of the Fall of Man; the temptation of Adam and Eve by the fallen angel Satan and their expulsion from the Garden of Eden. Milton's purpose, stated in Book I, is "justify the ways of God to men" and elucidate the conflict between God's eternal foresight and free will. It is considered by critics to be Milton's 'major work', and helped solidify his reputation as one of the greatest English poets of his time. The poem concerns the Biblical story of the Fall of Man: the temptation of Adam and Eve by the fallen angel Satan and their expulsion from the Garden of Eden. Milton's purpose, stated in Book I, is to 'justify the ways of God to men'.

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

Edited collection discusses the first historically important debate on what constitutes modern literature, which focused on two 16th century works: ORLANDO FURIOSO and GERUSALEMME LIBERATA.

In 1967 Milton studies was divided into two camps: one claiming (per Blake and Shelley) that Milton was of the devil's party, the other claiming (per Addison and C. S. Lewis) that the poet's sympathies were obviously with God and his loyal angels. Fish has reconciled the two camps by subsuming their claims in a single overarching thesis.
