'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

Language Assessment: Principles and Classroom Practices is designed to offer a comprehensive survey of essential principles and tools for second language assessment. Its first and second editions have been successfully used in teacher-training courses, teacher certification curricula, and TESOL master of arts programs. As the third in a trilogy of teacher education textbooks, it is designed to follow H. Douglas Brown's other two books, Principles of Language Learning and Teaching (sixth edition, Pearson Education, 2014) and Teaching by Principles (fourth edition, Pearson Education, 2015). References to those two books are made throughout the current book. Language Assessment features uncomplicated prose and a systematic, spiraling organization. Concepts are introduced with practical examples, understandable explanations, and succinct references to supportive research. The research literature on language assessment can be quite complex and assume that readers have technical knowledge and experience in testing. By the end of Language Assessment, however, readers will have gained access to this not-so-frightening field. They will have a working knowledge of a number of useful, fundamental principles of assessment and will have applied those

## Online Library Practice File Pearson EIT

principles to practical classroom contexts. They will also have acquired a storehouse of useful tools for evaluating and designing practical, effective assessment techniques for their classrooms.

Market Leader 3rd Edition has been completely updated to reflect the fast-changing world of business using authoritative and authentic business sources such as Financial Times. Exercises and activities that complement the Market Leader course book. Includes answer key and audio CD.

The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant, focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers are supported in numerous ways, minimizing preparation

time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. \* English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. \* Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. \* Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. \* ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. \* The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. \* Rich digital media: video conversations, video talks, media projects, and presentation skills integrated throughout for listening

and speaking practice. \* Specific support from Grammar Coach and Pronunciation Coach videos. \* MyEnglishLab provides more intensive online practice. \* Comprehensive assessment program in ExamView and MyEnglishLab.
