

Starfish Die Cut Paper Outs

A forbidden gift helps two teenage girls find hope, friendship, and the will to live in this “beautifully told true story about brave young women who refused to be victims and walked out of Auschwitz with their heads unbowed” (School Library Journal). An act of defiance. A statement of hope. A crime punishable by death. Making a birthday card in Auschwitz was all of those things. But that is what Zlatka did, in 1944, for her best friend, Fania. She stole and bartered for paper and scissors, secretly creating an origami heart. Then she passed it to every girl at the work tables to sign with their hopes and wishes for happiness, for love, and most of all—for freedom. Fania knew what that heart meant, for herself and all the other girls. And she kept it hidden, through the bitter days in the camp and through the death marches. She kept it always. This novel is based on the true story of Fania and Zlatka, the story of the bond that helped them both to hope for the best in the face of the worst. Their heart is one of the few objects created in Auschwitz, and can be seen today in the Montreal Holocaust Memorial Centre.

Tells how to use and maintain rubber stamps, offers advice on stamping on paper, fabric, and other materials, and suggests a variety of projects

Previous editions of *Affluenza* described the early symptoms of the disease that led to a nearly fatal shutdown of all our financial systems in 2008. This new edition puts more focus on the behavior changes we need to make to be certain that the Great Recession

does not become a prelude to something worse.

Deep under the water, in the ocean blue, noisy sharks are shouting...and waiting for you! Die-cuts on each page reveal the sharks' wobbly eyes and zipper mouths. This fun story with colorful text features lots of noisy words for readers to shout out on each page.

Arts, crafts, and nature activities explore various elements of the natural world, including ocean life, insects, dinosaurs, amphibians and reptiles, birds, mammals, and early man.

“He has an evening suit, but never an occasion to wear it, so he puts it on when he paints his pictures.” Insel, the only novel by the surrealist master Mina Loy, is a book like no other—about an impossible friendship amid the glamorous artistic bohemia of 1930s Paris. German painter Insel is a perpetual sponger and outsider—prone to writing elegant notes with messages like “Am starving to death except for a miracle—three o’clock Tuesday afternoon will be the end”—but somehow writer and art dealer Mrs. Jones likes him. Together, they sit in cafés, hatch grand plans, and share their artistic aspirations and disappointments. And they become friends. But as they grow ever closer, Mrs. Jones begins to realize just how powerful Insel’s hold over her is. Unpublished during Loy’s lifetime, Insel—which is loosely based on her friendship with the painter Richard Oelze—is a supremely surrealist, deliberately excessive creation: baroque in style, yet full of deft comedy and sympathy. Now, with an alternate ending only recently unearthed in the Loy archives, Insel is finally back in print, and Loy’s extraordinary achievement can be appreciated by a new

CAN'T ELIMINATE THE IMPOSSIBLE? Send for the man from the Diogenes Club! The debonair psychic investigator Richard Jeperson is the Most Valued Member of the Diogenes Club, the least-known and most essential branch of British Intelligence. While foiling the plot of many a maniacal mastermind, he is chased by sentient snowmen and Nazi zombies, investigates an unearthly murderer stalking the sex shops of 1970s Soho, and battles a poltergeist to prevent it triggering nuclear Armageddon. But as a new century dawns,

can he save the ailing Diogenes Club itself from a force more diabolical still? Newman's ten mischievous tales, with cameos from the much-loved characters of the Anno Dracula universe, will entertain fans and newcomers alike.

"A lyrical novel about grief, love, and finding oneself in the wake of a tragic loss." —Bustle "Gorgeous prose and heartbreaking storytelling." —Paste Magazine "Grabs your heart and won't let go."

—Book Riot A Kirkus Reviews Best Book of the Year Three starred reviews for this stunning novel about a mixed-race teen who struggles to find her way back to her love of music in the wake of her sister's death, from the author of the William C. Morris Award finalist *Starfish*. Rumi Seto spends a lot of time worrying she doesn't have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure of—she wants to spend the rest of her life writing music with her younger sister, Lea. Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the "boys next door"—a teenage surfer named Kai, who smiles too much and doesn't take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to

his own grief years ago—Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish. Aching, powerful, and unflinchingly honest, *Summer Bird Blue* explores big truths about insurmountable grief, unconditional love, and how to forgive even when it feels impossible.

Mollusks have been important to humans since our earliest days. Initially, when humans were primarily interested in what they could eat or use, mollusks were important as food, ornaments, and materials for tools. Over the centuries, as human knowledge branched out and individuals started to study the world around them, mollusks were important subjects for learning how things worked. In this volume, the editors and contributors have brought together a broad range of topics within the field of malacology. It is our expectation that these topics will be of interest and use to amateur and professional malacologists.

Kafka on the Shore displays one of the world's great storytellers at the peak of his powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly

Animals and plants from in and near the water featured in the book include clownfish, whale sharks, sea otters, dolphins, turtles and more.

The haunting novel of love and survival that inspired Mexico's official submission for International Feature Film at the 94th Academy Awards®—coming soon to Netflix “Prayers for the Stolen gives us words for what we haven’t had words for before, like something translated from a dream in a secret language. . . . Beguiling, and even crazily enchanting.”—Francisco Goldman, New York Times Book Review FINALIST FOR THE PEN/FAULKNER PRIZE • AN IRISH TIMES BOOK OF THE YEAR Ladydi Garcia Martínez is fierce, funny, and smart.

She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes. School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they “make them ugly”—cropping their hair, blackening their teeth, anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband’s return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity, and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her first taste of love with a young caretaker there. But when a local murder tied to the cartel implicates a friend, Ladydi’s future takes a dark turn. Despite the odds against her, this spirited heroine’s resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural

Mexico, and a stunning exploration of the hidden consequences of an unjust war, *Prayers for the Stolen* is an unforgettable story of friendship, family, and determination.

A wordless picture book in which chickens flee their coop at an Alaskan monastery and four, eluding the nuns, enjoy a day in the forest before returning home to roost. Features cut-paper artwork and a die-cut cover.

The griffin, the sunbird, manticores, unicorns – all manner of glorious creatures never captured in zoos, museums or photographs are packed vividly into this collection of stories. Neil Gaiman has included some of his own childhood favourites alongside stories classic and modern to spark the imagination of readers young and old. All contributors have given their work free to benefit Dave Eggers' literacy charity, 826DC. Also includes a new Neil Gaiman Story.

AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK A sweeping, masterful debut about a daughter's fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the daughter of a

Download Free Starfish Die Cut Paper Outs

neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From 19th-century cigar factories to present-day detention centers, from Cuba to Mexico, Gabriela Garcia's *Of Women and Salt* is a kaleidoscopic portrait of betrayals—personal and political, self-inflicted and those done by others—that have shaped the lives of these extraordinary women. A haunting meditation on the choices of mothers, the legacy of the memories they carry, and the tenacity of women who choose to tell their stories despite those who wish to silence them, this is more than a diaspora story; it is a story of America's most tangled, honest, human roots. Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the *Shatter Me* series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even

Download Free Starfish Die Cut Paper Outs

the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

Recording the Stories That Make Your Family Unique, Honor a War Hero, A Family Reunion With Flair, The Simple Charms of Childhood, and others.

Never again will crafters be short on inspiration for making special times memorable! Find fun ideas for creating invitations, favors, and decorations for a multitude of events.

Leveraging the metaphor Ori Brafman popularized in his NYT best-selling book, *The Starfish and the Spider*, Rob Wegner, Lance Ford, and Alan Hirsch show why the distributed structures of starfish organizations are uniquely fit to the church. They can function without a rigid central authority, and their regenerative abilities make them nimbler in reacting to external forces.

Seeding starfish networks inside today's churches will prepare the church of tomorrow to be agile while still maintaining the necessary accountability to be effective. Rather than advocating the adoption of a starfish structure in place of the hierarchy of the spider, Wegner, Ford, and Hirsch emphasize the advantages of adapting the structure and order inherent in a spider organization toward a hybrid model--either a Spiderfish approach (leaning toward centralization) or a Starder approach (leaning toward decentralization). *The Starfish and the Spirit* is about creating a culture where church leaders view themselves as curators of a community on mission, not the source of certainty for every question and project. It is about creating a team of humble leaders "in the middle" of the church, not at the top--leaders who naturally reproduce multiple generations of leaders, from the middle out on mission. Imagine a church led by a

Download Free Starfish Die Cut Paper Outs

team whose gifts and talents are completely unleashed, enabling everyone to show up and step up with all they really are. The joy and vigor coming from the collective strength, intelligence, and skill in the community of leaders not only brings greater potency but better yields for your ministry as well. What would it be like to see this kind of healthy leadership reproduced into the second, third, and fourth generation, on multiple strands?

Includes activities for: ocean animals, camping, Independence Day, islands, boats, space, and more.

Bitcoin became a buzzword overnight. A cyber-enigma with an enthusiastic following, it pops up in headlines and fuels endless media debate. You can apparently use it to buy anything from coffee to cars, yet few people seem to truly understand what it is. This raises the question: Why should anyone care about bitcoin? In *The Age of Cryptocurrency*, Wall Street journalists Paul Vigna and Michael J. Casey deliver the definitive answer to this question.

Cybermoney is poised to launch a revolution, one that could reinvent traditional financial and social structures while bringing the world's billions of "unbanked" individuals into a new global economy. Cryptocurrency holds the promise of a financial system without a middleman, one owned by the people who use it and one safeguarded from the devastation of a 2008-type crash. But bitcoin, the most famous of the cybermonies, carries a reputation for instability, wild fluctuation, and illicit

business; some fear it has the power to eliminate jobs and to upend the concept of a nation-state. It implies, above all, monumental and wide-reaching change—for better and for worse. But it is here to stay, and you ignore it at your peril. Vigna and Casey demystify cryptocurrency—its origins, its function, and what you need to know to navigate a cyber-economy. The digital currency world will look very different from the paper currency world; *The Age of Cryptocurrency* will teach you how to be ready. Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.
