Adventures in the English countryside and beyond with the Yorkshire veterinarian and #1 New York Times—bestselling author of All Creatures Great and Small. When World War II ends and James Herriot returns to his wife and new family in the English countryside, he dreams mostly of Sunday roasts and Yorkshire puddings, but new adventure has a way of tracking him down. Soon Herriot finds himself escorting a large number of sheep on a steamer to Russia, puzzling through the trials of fatherhood, and finding creative ways to earn the trust of suspicious neighbors who rely on him for the wellbeing of their beloved animals. Herriot's winning humor and self-deprecating humanity shine through every page, and his remarkable storytelling has captivated readers for generations. "This is Herriot at his best," said the Washington Post of this New York Times bestseller by the author of All Things Bright and Beautiful and Every Living Thing. The Lord God Made Them All is a true story of postwar England that, according to the Columbus Dispatch, "just explodes with the joy of living and loving and caring."

Watercolor illustrations accompany a collection of ten stories about dogs—from border collies and sheepdogs to the exploits of Tricky Woo, the unforgettable Pekinese

Does God, in His infinite wisdom, convince people to get rid of their car insurance? Does He encourage cannibalism? Does the God of more than six billion people actually have time to root for the Minnesota Vikings? According to some, yes. How do they know? God told them. Luckily, God also told Marc Hartzman to write this book, a collection of the most shocking, absurd, and hilarious things people have ever claimed God asked them to do, and to present them for your pure reading enjoyment. Including: The man that God told to perform surgery on himself God's generous offer to miraculously fill his believer's gas tank The fateful day God (assumedly feeling nostalgic for his teen years) asked a man to TP a police station The woman God instructed to direct traffic—topless And, sadly, many more

Erma Bombeck remains one of America's favorite humorists. When God Created Mothers republishes one of her most popular Mother's Day columns as an illustrated keepsake book that offers a touching description of all the characteristics a mother must possess. When it first appeared in Erma Bombeck's Mother's Day column in 1974, When God Created Mothers was an instant success, clipped from newspapers, tucked into purses, and tacked onto refrigerators all over America. Now in this beautiful keepsake edition, Bombeck's moving words are paired with original art that bring to life the warm portrait of motherhood contained within. An angel marvels at the detail and overtime that the good Lord is putting into his creation of mothers. Despite the six pairs of hands and the three pairs of eyes that every mother needs, the angel thinks she has discovered a flaw: "There's a leak," she pronounced. "I told you that you were trying to put too much into this model." "It's not a leak," said the Lord. "It's a tear." "What's it for?" "It's for joy, sadness, disappointment, pain, loneliness and pride." "You are a genius," said the angel. The Lord looked somber, "I didn't put it there." Every mother will treasure this moving tribute, penned by America's most beloved expert on motherhood.

The fourth volume of memoirs from the author who inspired the BBC and Channel 5 series All Creatures Great and Small. Finally home from London after his wartime service in the RAF, James Herriot is settling back into life as a country vet. While the world has changed after the war, the blunt Yorkshire clients and menagerie of beasts with weird and wonderful ailments remain the same. But between his young son, Jimmy, trailing him around aping his every move, stubborn farmers refusing to try his 'new-fangled' treatments and a goat that has eaten 293 tomatoes, Darrowby is far from quiet. And with another baby on the way, life is about to get even more chaotic . . . Since they were first published, James Herriot's memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, The Lord God Made Them All is a heart-warming story of determination, love and companionship from one of Britain's best-loved authors. I grew up reading James Herriot's books and I'm delighted that thirty years on, they are still every bit as charming, heartwarming and laugh-out-loud funny as they were then - Kate Humble

When taking a cow's temperature the old-fashioned way, never let go of the thermometer... James Herriot has settled happily into life as a Darrowby vet, tending to livestock and pets alike - not to mention dealing with his mercurial boss Siegfried and his irrepressible, puckish vet student brother Tristan. Day to day, he finds himself testing entire herds of cattle for tuberculosis; acquiring another generous animal nephew alongside Tricky Woo the Peke (this time, Nugent the pig); fending off a ferocious Great Dane with a rickety chair - and attempting to court a farmer's daughter, the lovely Helen Alderson...

God Made Me Unique, a beautifully illustrated picture book, helps parents and caregivers teach children that God creates every person in the image of God and each individual has tremendous value, regardless of his or her appearance or abilities. The story is set in a Sunday school classroom where a new girl, Brie, is introduced by her mom. Brie's Sunday school teacher takes the time to welcome Brie and to explain to the other children why she is wearing headphones. Through getting to know Brie, the children are guided into a biblical understanding of the uniqueness of each of God's children. Along the way they learn to ask questions and gain an understanding about their new friend. Told in a charming rhyming style, this colorful, hardcover book will help eliminate fear and misconceptions about those who have special needs and emphasizes that every person deserves to be treated with kindness and respect. The back of the book contains a special section just for parents and caregivers that will guide them in how to have biblical, loving conversations with children and gives them additional information and resources to equip them in talking about this important subject. Like God Made All of Me by Justin and Lindsey Holcomb and God Made Me AND You by Shai Linne, God Made Me Unique gives parents the tools to have important, impactful conversations with their children that will grow their understanding of God, themselves, and others.

The moving story of the author's adopted Rottweiler mix, Lou, a free-thinking heroic dog who changed his life forever Born of guard dogs on a secret marijuana farm in Mendicino County, Lou truly was one dog in a million. On the winter day that the ailing, tick-infested feral pup was rescued by Steve Duno, neither dog nor man had a clue as to what they were getting into, or where the relationship would lead. Last Dog on the Hill tells the story of an indigent young Rottweiler mix who, after abandoning his pack and the hills of his birth, went on to change the lives of hundreds of people and dogs, including the author's, whose career as a behaviorist and writer was made possible through Lou's extraordinary intelligence and heart. Lou won the respect of gang members, foiled an armed robbery, caught a rapist, fought coyotes and kidnapers, comforted elderly war veterans and Alzheimer patients in their final days, taught ASL to kids, learned scores of unique behaviors and tricks, amassed a vocabulary of nearly 200 words, helped rehabilitate hundreds of aggressive dogs and saved them from euthanasia. He was also a clown, consummate performer and Steve's best friend for sixteen years. His story will make readers laugh and cry in equal measures.

Continues the memoirs of Yorkshire veterinarian James Herriot, as life for Herriot, his wife, and two children gets back to normal after World War II.

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church

where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible.
