Don't Say a Word Kensington Publishing Corp.

Writers have been writing about war since the siege of Troy, but few, if any, have captured the first-person experience of war as deeply as My Vietnam War. Set in 1967 (the deadliest year of the Vietnam War), this memoir-style novel depicts the psychological journey of a young man whose carefree days of studying philosophy at the university are ended by the draft. The story follows him from his initial rear-echelon assignment in Saigon, where he falls for a mysterious storytelling bar girl, to his eventual posting at an isolated front-line firebase in one of the deepest parts of the Vietnam jungle. While recovering from a leg wound (he is hit by a piece of bone from a fellow soldier who stepped on a booby trap mine), he becomes the assistant medic and sees the horrors of war close up. The experience begins his steady spiral down into PTSD. After he is seriously wounded, he ends up back in Saigon where, after an old friend from Arizona gets him involved in the underground drug trade, the mysterious bar girl may be his only hope for salvation. It is a powerful story, well-written, with vivid detail that you will never forget.

In the pursuit of justice, truth always plays a prominent role. Few, if any, legal systems are willing to waive the right to claim that the results of their legal processes are fair, just, and, above all, based on the truth. In most legal systems, elaborate rules on the taking of evidence try to guarantee that an accurate factual basis is used for the application of the law. Such rules are the core of most methods of adjudication and they are the main theme of this book, which focuses specifically on the rules of evidence within the context of efficiency in civil proceedings. Apart from the fact that a link between the pursuit of truth and efficiency has been emphasized since the time of ancient Rome, all legal systems must find the right balance between the amount of time and money invested in the civil trial and the thoroughness of the proof-taking stage in litigation. Obviously, a system of proof that can produce trustworthy results is in need of considerable investment of time and resources, but the amount of time and resources available is not without its limits. If a proper balance between truth and the necessary time and resources cannot be found, the whole process of litigation may be endangered. (Series: Ius Commune Europaeum - Vol. 111)

Cross Your Heart. . . One by one, they will die. He has waited patiently, planning their final moments. Their tortured screams, their pleas for mercy--all will be in vain. . . And Hope. . . Homicide detective Julia Cass has witnessed plenty of crime scenes. But the murder of a Chattanooga judge is shocking in its brutality. Teamed with FBI agent Will Brannock, Julia delves into an investigation that soon unearths more bodies--all mutilated in the same way, all left with a gruesome souvenir of a killer's ruthless rage. . . To Die. . . The only way to stop the slaughter is to predict the next victim. But when you're dealing with vengeance at its most ruthless, one wrong move can make you a target. . .and the next word you utter could be your last. . . Praise for the novels of Beverly Barton "A shivery read. . . Tight twists and hairpin turns will keep readers racing through the pages." --Bookpage on Don't Cry "Barton delivers a solid mix of romance and terror in her latest thriller." --Publishers Weekly on Don't Cry "Masterful!" --New York Times bestselling author Linda Howard on Cold Hearted

Oscar Paget, Duke of Rothborn, is a Corinthian to his marrow. Sport is in his blood, no matter the variety. Winning is all he cares about. The handsome young duke has no desire for a wife to impede his exiting lifestyle and though engaged to the beautiful Lady Pearl Aldous since infancy, he keeps putting off the big day. Little does he know Pearl's tomboyish younger sister, Ella, has been in love with him her whole life. When Ella does something reckless to save Oscar from losing a bet to a man he despises, they are caught in a compromising situation. The only way to save her reputation is to marry her instead of Pearl. To Oscar, Ella can never be more than a friend. He considers her as a little sister, not a wife, and he knows there can be nothing more than a marriage of convenience between them. Ella knows nothing of the sort. All she must do now ... is prove it.***NOTE: This book and series contains mild swearing and mildly graphic and

descriptive sex scenes - NOT erotica***

"Rilla of Ingleside" is a novel in the Anne of Green Gables series, describing the coming-of-age of Anne's youngest daughter, Marilla or Rilla. Set during the First World War in Canada, the narrative traces Rilla's development from a self-obsessed fifteen-year-old girl to a mature and brave nineteen-year-old. At the beginning of the book, the family discovers that the Archduke of Austria has been assassinated, setting off the events that will eventually lead to war. Rilla, however, is more preoccupied with her first real dance, and her future with her crush, Ken. At the dance, though, the group discovers that war has been declared, and many of the young men talk about joining up. As Rilla's oldest brother Jem and his friend Jerry leave for war, others struggle with whether or not to join up such as Ken, who has an old sports injury, and Walter, Rilla's favorite brother. In the end, both of these boys also enlist.

"The rise and fall of kings and nations!"--Cover.

Glaikit, mockit, droukit, drouthy, couthy, scunner, thrawn - the Scots language is rich with words too gallus not to glory in, dialect terms that deserve better than to be boxed away as precious oddities. Here we've collected some of the strangest writers of Scottish descent to bring these terms to life - that's Scottish by heritage or residence, adoption or initiation...
