For some the Paleo diet may be a little intimidating at first because of all the vegetables and healthy fruits one is formulated to eat. But They know that fruits and leafy green vegetables can pack a serious amount of vitamin and mineral punch into their system. But getting past the bitter taste can be a challenge. Many of us shy away from eating a wide variety of greens for one simple reason, they are rather bland and a little bitter. The Green Smoothie to the rescue. A short description before each category will dial you in on the different types and their health benefits. Get creative!
